

A top-down view of a person's hands working on a laptop on a wooden desk. The scene is overlaid with a blue-to-green gradient. The laptop screen displays a form titled 'APPLICATION FOR PERMIT'. To the left, there are documents, one with a 'CHOICE' logo. To the right, a smartphone is on a document. The person is wearing a watch and a suit sleeve.

Improve your Tally.ERP9

Take your Tally.ERP9 software usage and proficiency to the max by using these must have modules.

Dashboard Module

The Dash Board module helps you get the edge over your competition when it comes to managing your company. This module allows you to have an “Eagle Eye” by letting you constantly monitor your company’s current progress towards important goals and quotas and by showing you important figures and numbers which can serve as the key towards outsmarting other businesses.

Dashboard Module

How can this further help you?

- Monitor your business data at real time, anytime
- Compare and contrast your business figures to improve your performance on the go
- This module offers easy to read and absorb graphical representations for your company's pertinent business data
- Take your company's real time business data and monitor it anywhere and anytime
